WSDOT Construction Activity & Possible Delays/November 20-30, 2003

Holiday Travel Alert: No major construction, lane restrictions, or highway closures are planned for the Eastern Region during the Thanksgiving holiday travel period. On I-90 in the Spokane Valley, motorists should be alert for narrow shoulders. Motorists should also be prepared for winter driving conditions at all times. For Washington State Mountain Pass conditions dial 5-1-1 on your home or cellular phone and follow the voice-actuated menus.

SR 20-Clark Avenue/City of Republic (MP 303)-No work until Spring.

I-90/ITS Communications System – Work will continue at various locations along Sprague Avenue between Freya and Division Street with crews pulling the fiber cable. Minimal traffic impacts. No traffic impacts through the Thanksgiving weekend.

I-90/Argonne to Sullivan (MP 287-292)- Excavation off the right-of-way continues. At times, motorists should be alert for trucks crossing the eastbound Pines off-ramp with flaggers on the ramp slowing traffic. Possible striping work and median work also underway over the next week. No mainline freeway or ramp traffic impacts through the Thanksgiving weekend.

SR 290-Trent Avenue/Spokane River Bridge 290/4 Replacement (MP 0.4-0.6)- Work continues on this bridge replacement project between downtown and just west of Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

US 395-Division Street/Hastings Rd. to Farwell Rd. (MP 166)-Minor items remain. Work depends on weather..

SR 904/Cheney to Four Lakes (MP 12-16)-No work.
